On 10/27/2013 at 2227hrs SSgt Nethken was dispatched to the area of 3460 La 44 (Dupont) in reference to a possible chemical release. Dispatch advised the caller used to work at Dupont and observed a SO-3 leak. Dispatch contacted Dupont who checked the lines and was able to locate a small leak. Dupont advised that there would be no off site impact from the release and no assistance was needed. SSgt Nethken attempted to contact the caller but he left prior to the arrival of deputies on scene and did not wish further contact. No further action taken, regular patrol resumed.
